

Teaching Tier 3 Words: Content Vocabulary

Article # 18

1 Provide an image

Images help ELs access the vocabulary word.

Target word: herbivore

2 Describe features

Characteristics, actions, & features help ELs form a definition.

Herbivores only eat plants.

3 Offer a non-example

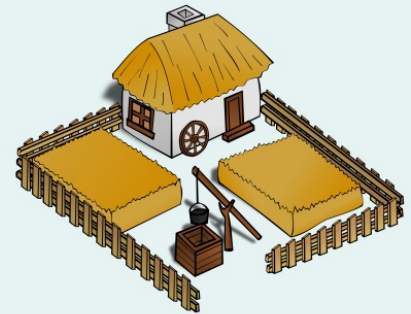

Non-examples provide another way to think about the target word.

Tigers aren't herbivores because they only eat meat.

4 Use various contexts

Provide another context to learn the vocabulary word.

Identify other farm animals that are herbivores.
