

# Context-Based Language Instruction

Article # 25

## Sociocultural Contexts

Students build a body of knowledge around a context by talking, reading, and writing on a central topic.

**Self**

**Home**

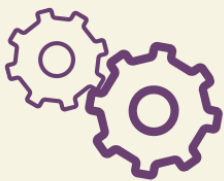

**Community**

**World**

Students cultivate critical thinking by applying their understanding from the body of knowledge.

## ELs Use the Context to...

Solve a problem

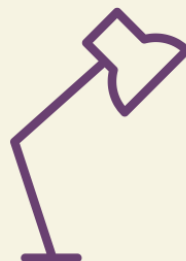

Collaborate

Test a theory

Defend a position

Raise awareness

Create a product
