

Cultivating Content-Specific Language

Article # 31

1 Provide a Template

A prescribed format allows ELs to focus on creating content, rather than be distracted by formatting content.

2 Sentence Frames

Sentence frames guide ELs in forming their ideas & facilitate switching from social language to content-specific registers.

3 Incorporate Tables

Tables consolidate the information that teachers need to communicate.

Reliability of the method	
Measuring equipment # 1	Explain if it was a reliable equipment to measure the results?
Measuring equipment # 2	Explain if it was a reliable equipment to measure the results?
Measuring equipment # 3	Explain if it was a reliable equipment to measure the results?

4 Use Images

Diagrams & images support ELs in comprehending abstract concepts.
