

Talk-Read-Talk-Write for ELs

Article # 29

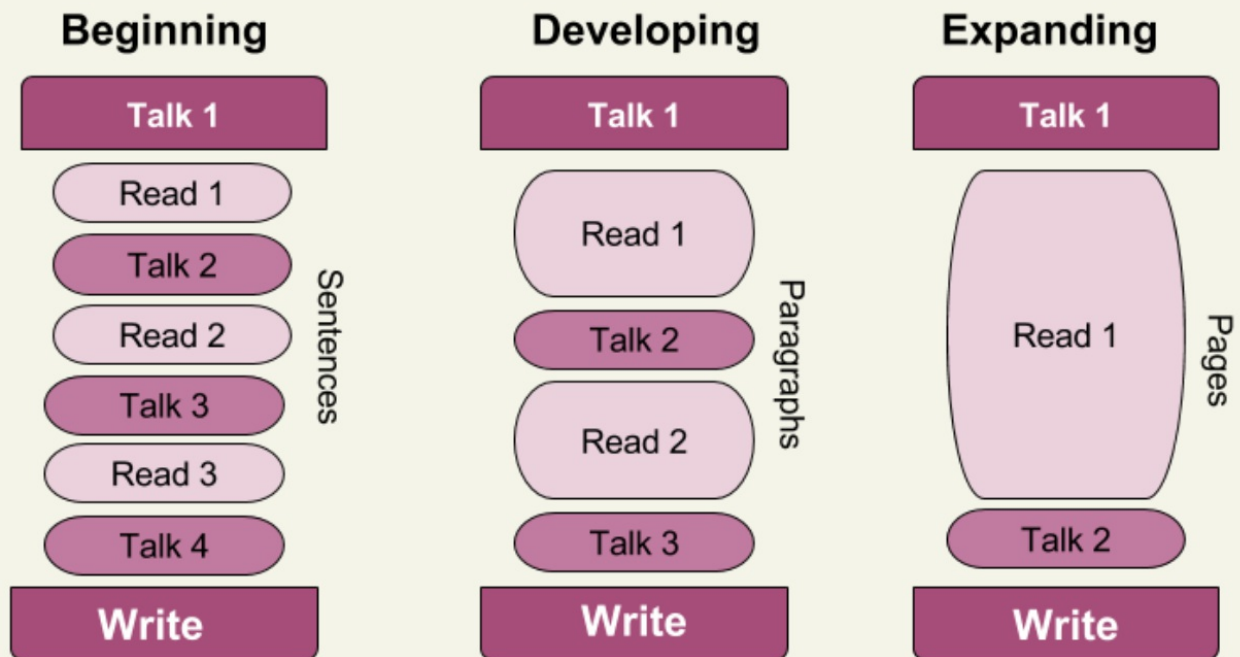

1 Talk

Invite ELs to talk about what they think they know about a topic, share a relevant connection, or list what they want to learn.

2 Read

Read aloud a section of text that provides ELs with information about the topic.

Differentiate the reading based on language development like below.

3 Talk (2)

Talk collaboratively to develop an understanding of the text and share findings.

Differentiate like the image above.

4 Write

ELs Quick Write to identify facts, sequence events, form opinions, or explore implications.
