

Creating a *Text Set*

Each text provides ELs with opportunities to use different language domains to access content and to cultivate critical thinking skills.

Design a text set that consists of various types of texts connected to a central topic.

Identify a topic

video

Introduce the topic w/ a short, language-friendly video

infographic

Share an infographic to gather more content knowledge

full-length text

Read a detail-rich text to gain content knowledge

experience

Engage in a hands-on experience to further develop understanding

assessment

Design a task that invites ELs to use content knowledge to create a product

Ideas synthesized through frequent micro-discussions

Ideas synthesized through frequent micro-writings

Reflect on learning w/ extended writing
