

Reading with Google Docs

ELs can use Google Docs to annotate the text, which develops reading comprehension.

Word-Level Interaction

- Translate unfamiliar words.
- Annotate text with translated word.

Caldeira spends his day on the reef pumping antacid (base) onto a stretch(ຍຽດ) of the reef to see if cancelling(ຍົກເລີກການ) out some of the increased acidity would help coral grow faster.

An example of a student's annotation.

Sentence-Level Interaction

- Annotate a sentence in EL's own words.

“Decades(ທົດສະວັດທີ່) ago, everybody was smoking cigarettes. It was acceptable to smoke inside”, he says as an example. (Everybody use to smoke inside everywhere many years ago)

An example of a student's annotation.

Paragraph-Level Interaction

Els annotate a paragraph using the comment function to reflect on its meaning.

An example of a student's annotation within a comment.
